

Store Pickup In 4 Simple Steps

01

Search Product

Users can find specific products that meet a variety of requirements by searching for a product they need.

02

Place Order

Without paying in advance, you can reserve a product and choose when to visit our store for pickup. An order request will be forwarded to our team.

03

Visit our store

Visit a nearby store at the time slot you choose while reserving a product.

04

Check & Purchase

Before making a purchase, you can always check (or inspect) the product.
